“ Joanne I am so sorry about LeRoy having passed away, I remember the two of you redoing my , then my 100 year old doll buggy, because I wanted my first granddaughter to sleep in it, That`s why I had it done in yellow and illet. But no grand daughter to sleep in it, so it put little boys to sleep. May God bless you and give you peacethat only he can. You are both very special people in my life.
