“ *There are too many memories for me to share. Libb was our neighbor for so many years. In the last years that our Mother lived next door to Libb, she and Wallace were really her caretakers, making sure that she was okay, safely in bed at night, bringing her things from the grocery store, seeing that she took the medicine she needed and so much more. I will be forever thankful for their watchful eye. Heaven is richer today because Libb is there. My love to all the family.*
