“ *Keith and Family, I am very sorry to hear of your Mom's passing. I never met her formally but as funny as this may sound, she did pull me over once for an expired tag :) I had my son with me who was just a baby and he was asleep in the back seat. When another office started talking she told him to whisper and turn off his flashlight because he might "wake the baby". We all got a laugh over that but I have thought about it many times. What a nice woman she was and the brief encounter we had was very pleasant. I am so sorry for your loss. Please extend my condolences to your entire family.##imported-begin##Andrea Garrison Dvorski##imported-end##*

“ *Bill (Keith), Tony, Misty, Kim, Jonathan and Josh: My deepest condolences to you and your families for your loss. Linda was one of the greatest "Mama Bears" it was my pleasure to ever meet. I hope you all take comfort in knowing that she loved each one of you so deeply through good times and bad. She took so much pride and pleasure in each one of the "grand-babies" that you gave her...it was so beautiful to experience.*

As she has entered eternal rest, she will be reunited with so many that loved and went before her, but most especially with her beloved baby, Tim. She was truly one-of-a-kind and I hope that as you grieve, you can also remember the good times and celebrate her life and legacy.

With all my love and sympathy from Texas... ~Yvonne~##imported-begin##Yvonne Herrera Steele##imported-end##
