“ *We only met once; on that occasion she was so sweet and welcoming. I could tell by the way she spoke of her family how much love she had for you all. We wish we had had the opportunity to get to know her better. We know Scott loved her like his own grandmother. We are sorry for your sudden loss of such a precious part of your family tree. May the special memories hold you until you are together again.*

Love, Allen & Eve Smith
