“ Grandparents picture on Matt and Alisha's wedding day. I know Daddy was very proud of her. She was his first born grandchild. I will never forget what he said when I told him I was pregnant, ( it's about time, finally I will have a grandchild while I am young enough to enjoy it.) That made me feel so good that he was so happy about. One of his favorite things to tell me about was them riding down the hill in the wagon. He probably had as much fun as she did. We love you Daddy and will always cherish the good memories.
