“ Dear aunt Lucille home will not be the same with out you I have such good memories of all of us being together. But the best memory I have is that you were like a mother to me and treated me like one of your own. I love you and will miss you Reba Donbrosky

“ So sorry to hear about Aunt Lucille! I have wonderful memories of being at her home. Loved playing in the little shed behind the house, enjoying wonderful Sunday family meals in her kitchen then having to hand wash all those dishes, and so many more. Memories I hold dear and make me smile! Praying for your family and hoping your memories make this time easier!
