“ When Tracy first started dating Lenae I recall a conversation he had with my mother asking him about Lenae. Never forget the gleam in his eye and his fast response to my mom. She's just beautiful, just beautiful. I knew he was taken at that point. Sorry Tracy, thinking about your entire family.

“ Still doesn't seem real at all....

Aunt Lenae was the one person to make sure I made it home safely from the hospital after daddy passed away. She insisted she drive me home to make sure I made it home safely and did as best she could to try to console me. It tickles me now when I think of it because she was trying to lighten the mood and said "she always wanted to drive a mustang (with a slight bounce in the seat) because she really liked them and how they sounded." :)

Uncle Tracy, Tyler and Katie if you ever need anything, or need to talk please let me know. I know everything is going to be really hard to deal with emotionally from here on out. Just know I can relate and understand completely how you are feeling because I've been through the same with Daddy not that long ago. I feel at peace knowing Lenae is now with Daddy and Paw paw in heaven looking over her loved ones waiting for the day we all are reunited again. I will keep you all in my prayers. I love ya'll

“ It is so hard to believe that you are gone from us. You are a precious Mother, Daughter, Aunt, soon to be Grandmother, teacher, and friends to many. You were taken to soon from us, but God has a bigger plan even though we are not seeing it right now. Go be with Papal Willard and Uncle Darell Cornelius, they are going to be so excited to see you. I bet Hannah is happy to see you there and to be able to look down on all of the family and let all of us know that your love is always is going to be with us.
