“ *My name is Angela Bentley Dendy. My very best friend is Linda Pierce Irwin. We met in the 2nd grade. I immediately became a part of the Pierce family. During my trips to Haleyville with Linda, I was delighted to enjoy her Grandmother's biscuits laid on top of mounds of butter and syrup after giving Thanks to God for them. There wasn't a sibling of Milton's I did not meet along with their precious wives. Mable was always very sweet and pretty. I loved her hair. I saw a picture of her posted in the memory section. Looks just the way I remembered her.*

Your family will be in my thoughts and prayers. I am blessed to have gotten to meet Miss Mable.
