“ Thank you cousin Margaret for opening your home to me and the my cousins when we would come down from Akron for visits in the summer. I couldn't wait to run around your yard and play with Bruce, Marcus and Clifton. My memories are as vivid today 40 years later as they were when I was young. You are synonymous with Russelville for me and I'll miss you but heaven has a new resident. Strength of the lord and blessings to my cousins.
Love

“ To the Sharpley Family, I am so sorry for your loss. Mrs. Sharpley was a wonderful lady with a huge heart. As a child at West Elementary I couldn't wait for PE time because i knew a smile & hug was waiting for me. Her love was shown to all the children. She also could continue to see me through the years when she came to our florist & still had that smile & hug for me. Know that Heaven gained a true Angel & she will be missed by many. Our prayers will be with you. Joy Hitt Fuller--Thorn's Florist
