“ *Marlon was a great man! He was a loving husband and father. He loved animals and was a very caring and generous man. The best memory I have of him was when we got our Boxer, Duke from him and the look he had on his face when I said the dog would not sleep in our bed. I will always remember the love he shared and his generosity to others.*

“ Sincere condolences to the family of Mr Guthrie. He was a true American Patriot. God, country, family, friends, & community were his passions. I've never known a man who more openly spoke his mind than Mr Guthrie and he was always ready to defend his stance on anything. It was a true honor to have known him and his lovely wife, Cindy. I appreciate how Mr Guthrie and Cindy provided countless necessities for Lynn School; I will never forget their generosity not only for the school but for other organizations as well. Thank you. May God bless & comfort all of Mr Guthrie's loving family during this time.

“ So saddened by the death of Marlon, he was a man with a caring heart, He loved his little farm and he would take meat to the Baptist Children's home in Eldridge . He helped the school. I know he will be missed by not only his family but his community.
