As far as I can remember your momma treated me as one of her own. She is a truly sensational woman and inspiration to all us mommas. She took great pride in her children, grandchildren and great grandson. She raised a wonderful God fearing family and was a light to all. She will be missed for sure.

“ *When Stephanie and I where little Martha Jane told us to stay out of the hog pen cause the mama had her babies. And she was at that time. Well of course when her back was turned we got in cause we wanted to see the babies. Needless to say that mama was not pleased at us! And she heard us screaming and ran out after us. All said and done we both got out talis whooped with a little thin belt. My feelings was so hurt cause she had never had to spank me. But man my Aunt Janie can love you so hard! As I cry now I can feel her arms around me!* ”
