“ She was my precious Mom-in-law! I could NEVER prayed for a sweeter, more precious soul to be Mother-in-Law! When my Mom passed away 5 years ago, she not only stepped in but assumed totally the role as my mother and guardian Angel. Her prayers I could always feel and treasure throughout my life. I will miss her but know she is in, as the song writer penned, a land far better than this! I love you Mom!
