Ginny: You hold a special place in my heart and memories. Back in school you would draw me pictures of profiles of beautiful ladies and you would play a few strings on the guitar and we would sing songs and called ourselves the "Goldust Twins". So glad we : you, Shelby, Martha, Cat, Lisa, Carolyn and I got to go on our trip to Miami & Key West and then you stayed with me a for three weeks. Lots of memories; you were always so much fun to be around and although I never got to see you again on this earth, I look forward to seeing you in Heaven. Un till we meet again. Love you.
