“ I was a caregiver to Grace Tomlin for years and i loved her so much! She was always so loving and compassionate to everyone and i am going to miss her very much! I only wish i had once more chance to tell her again how much i loved her even though i know she already knew that! She was a blessing to me and she always knew what to say to brighten my day and her memory will forever be with me until i meet the Lord just as she did. I love you Grace and i will see you again one day. What a glorious day that will be to reunite with my parents and my Grace! Lynn White
