“ I am sorry to learn of the passing of Melinda. I knew her from about 1980-1997 when she taught at Bear Creek High School and I was the AEA Uniserve Director. I always thought she was so pretty, friendly, and nice.

“ Although Melinda was my cousin, we had not had a family reunion in a long time. She was always such a sweet and kind person.

“ It was Melinda’s first year to teach. We shared two sixth grade classes that year. Melinda taught English to my class and I taught math to her class. That was back in 1972. Melinda was so cooperative and I loved her.
So very sorry to hear of her passing.

Melinda was my home economics teacher at Brilliant High School. I loved her class and we still ran in to each other over the years and would always have a conversation to catch up on everything every time we did. So sorry to hear she has passed. Loved her.
