“ The thing i remember the most of him saying to me was at the hospital. he looked at me and and told me, if you ever need any help, I'm here for you. I thought that was amazing, him laying there in all that pain and being worried about me. I believe me and him could had gotten alot closer, but it was time for him to go. I'm so happy I got to get back around him, and I know he was so Happy to see his Daddy again. But so sad to have to leave his family. He was so much like his Daddy, personality and all. I'm really sorry God took him, but he is getting to see such a Miraculous, Beautiful place. I Loved my brother, he was the only one I had. I wish I hadn't had stayed away from all the family for so long.

His Sister, Barbara
