“ *Bro Mike was such a strong Christain. As I have said many times he had such a burden for the lost. I love this family, Michelle, Josh and Lexie. The last message I got from Mike was November 29th texting me a Happy Birthday. I thanked him and then told him to put up that phone. There is such a feeling of unbelief that he is no longer with us. I know he is rejoicing with God and no more pain and suffering. He was so ready to go.*

“ We met Michael during our seminary days back in 2006. It was an instant friendship. One that even though we were miles apart could pick up where we we left off. We love this family and our hearts are so broken for this loss. We pray for comfort and he will be missed but we know he is in a better place. So it isn't goodbye but we will see you soon sweet friend. So thankful and blessed that he and his family were put in our lives.

“ To know Mike was to love him. He longed to serve his savior, he was so in love with Christ. No better man of God, have I ever known. Mike loved everyone, and told them he did. His beautiful and loving wife, Michelle and their wonderful children, Joshua and Lexie, were his heart. As our Pastor at Fulton Bridge, he has been a friend, well more like family. He shared Gods word from the pulpit, but more than that, Mike lived Gods word. There'll never be a day that goes by where I won't remember his message," Gods coming for his church y'all, get ready for a great revival. " I know he heard these words..."well done, my good and faithful servant"....and now he and Jesus are walking side by side. Oh how we love him and we're gonna miss him greatly. Prayers for this wonderful family, for Gods Perfect Peace and Comfort.
