“ *Mildred was a sweet woman and we were blessed to have known her. She was my mother's first friend at Country Cottage and she made the transition for my mother much easier. I will never forget her kindness. She will be missed.*

“ *We were saddened to learn of the passing of dear Mrs. Mildren Holliman. Mrs. Holliman was a lab technician and ran the laboratory at the Russellville Clinic for most all of her profession career. She was very special to her Russellville Clinic "family" and assisted in the care of so many people, performing labwork and x-rays. I can still hear her sweet voice saying . . . "take a deep breath and hold it", prior to every x-ray! My father, Dr. Aubrey Terry has often praised her loyalty and competence and has "appreciated her friendship, through these many years". In her personal career, Mrs. Holliman was a devoted wife to her husband, Charles and proud mother to her beloved daughter, Mandy.*

Mandy, we send our love and heartfelt sympathy to you and your daughter, Mrs. Marjorie Bragwell and your entire family. In this time of grieving for the loss of your mom, imagine the joy she must be feeling to be well and reunited with your dad, again! Heaven has gained a beautiful soul.

*Love from Florida,
Lesa & Dr. Tim Walsh, Dr Aubrey Terry, Caitlin Walsh*

“ *Mildred was a kind and compassionate lady. I'll never forget her thoughtfulness to our family during illness of our daughter 55 years ago.*
