“ Aunt Mildred was a very special person in my life. At the start of my life she kept me for sometime when I was young. She always had a smile on her face, something funny to tell you to make you laugh, and always giving you a compliment. In a way I always considered her like my grandmother on my Daddy side since I never knew my grandmother Lane. She will be truly missed by her brothers, sisters, nieces, nephews, and especially Mary Ellen and Joseph. I am sending out this message because with my work schedule I will not be able to attend Friday's Funeral. I will always remember what a wonderful Aunt she was to me. God Bless with Love,
