“ This is so unbelievably sad - we so hoped she was getting better. Missy was always so vibrant and active and we just KNEW she would kick this!! We will miss her. The scouts will miss her. But not as much as you - her family - will - we are so sorry for your loss.

“ Terri and I are so blessed to know John and missy. If she showed kindness, love, understanding, joy and compassion to people other people looked pass it was because she was sent by God to make a difference in representing His grace. And to show God through her life in order to lead us to the wonting to know Jesus as our savior. If she touched your life it is because she was sent here to do so.
