“ *My Sympathy to the Potter Family! I haven't seen you in quite some time, but haven't forgotten you! Know that you are in my thoughts and prayers!*

April has been a friend for many years and I think the world of your Family! I realize this is a very difficult time for you, but the Lord will provide peace!

“ *Misti (little sister) I can't believe you are gone. You will be missed and loved forever. I have so many memories of you and April and I laughing and having fun...one of the last memories I have of those fun days was when we all three got stuck out in a rain DOWNPOUR trying to get a table and chairs you bought from my yard sale, back to April's house. We were DRENCHED and laughed so hard because nothing we tried seemed to work...but we couldn't stop laughing. I will miss those fun times and your random late night Papa Johns Pizza orders. I don't want to say goodbye...so I'm going to say "Love ya girl...and see you soon." Enjoy the beauty, the peace, and give my love to my mom and everyone else up in beautiful Heaven.##imported-begin##Karen Akemon##imported-end##*
