“ We had went to high school together but I don't think we talked much. But as adults she came back onto my life by selling me makeup and is one of the most caring, living big hearted souls I was ever blessed to know. All of her family especially her babies are in my thoughts and prayers.

“Misty was a true leader, mentor & friend. She was always there to cheer us on, always to encourage us with kindness and uplifting words.

She loved her family so much and was always ready to share about her love for them. My life was truly blessed to have her apart it. She will be missed but will live forever in our hearts and memories.

Tommy and Girls I will always be here if you ever need me just reach out. My love, thoughts and prayers are with you all!!

“I remember when she was born. Her grandmother/mom was my aunt Beulah Mae Reed Cooke. My mother received a call from one of the birth parents and then mother called aunt Mae and they came to Jacksonville to pick her up.

She was a gorgeous little girl with beautiful curly hair. Her Daddy/granddaddy was crazy about her.

My greatest memory was listening to her on the piano at such a young age.

She and I have communicated back and forth over the years.

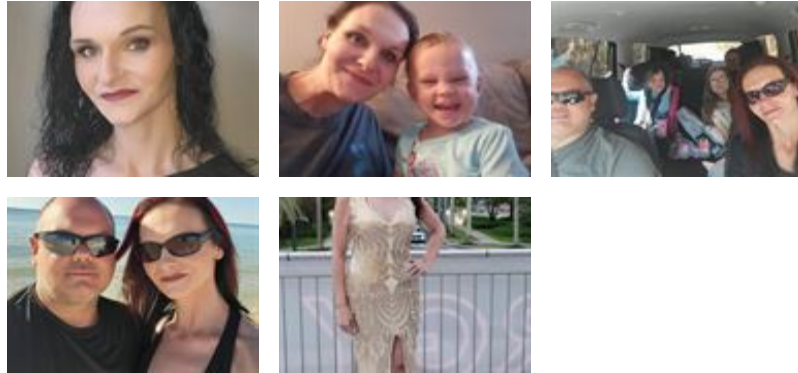

My prayers go out for her wonderful husband and beautiful girls.

I love you Misty, tell our loved ones it won't be long till we join you all.

“ *Misty would take Bailey to school and then Bailey would do her daily boomerrang She loved her girls and supported them in every way She worked hard so the girls could have a few “extra” things. She loved her stepdaughters and treated them like her own. She made the most beautiful cakes. She also made cookies, candy and pies. She did all of this while suffering from multiple health issues. Go rest high on that mountain, Misty*
