I loved the time we shared together for years with me watching Emma and Mitchell. We shared our thoughts and hopes For our children! Our talks were so deep and loving. We could not see each other for years since i moved away but always picked up like we never were apart when we saw each other again. You were a loving mother and a great friend to many. I will see you again in heaven Mitzi!! Love you and forever in my heart!!

“ I am so sorry to hear of Misty’s death. She was a very special person and was most supportive and helpful to me when I provided occupational therapy services for her kids. She was always willing to fight the system if needed to provide the best for them.
