“ In the 90’s Nate was a young man in high school. During summer vacations he was a great help to me and the other teachers volunteering with the Terrific Tuesday program at Haleyville First Methodist Church. He came early to help set up for the day and he stayed late to help clean up. He laughed with the children during outside playtime and help keep an eye on them. He never talked too much but he was always ready with a smile when called upon. I found him to have a good heart and a genuine sweet attitude when working with me. I am so very sorry to hear of his passing. God be with him and with his family.

“ Ronnie and Leslie Byron and I are so sorry to hear about Nate. He was a good man and could always make you smile no matter what. He would always pick me up if he seen me walking anywhere, he said I wouldn't have to walk if he seen me. He will be missed fly high Nate.
