“ Though we all left each other back in high school, I knew that the Freeman brothers would be highly successful. I hated to hear that another one of our fellow classmates passed. But, he is the lucky one truly. Only the good die young still rings in my ears. Kevin, you and your parents along with your family and loved ones have the prayers on behalf of the Gray household. If any of you need anything, don't hesitate to message me.
Sincerely yours,
Justin Gray
