“ We are all saddened to know a very bright light has stopped shining for so many people who loved Nellie Mae Slaughter. I am the mother of 3 of her precious grandchildren & the grandmother of 4 of her great grandchildren. She lived a long & inspirational life; Helping people was a love of hers. We loved her very much & will miss her but we feel happy for her that she is no longer sick and is now at peace. All of us appreciate the good job she & "Red" Slaughter did raising all four of their children.

“ Mrs, Slaughter was a dear sweet lady and I have many great memories of her when I was growing up in Haleyville. Heaven must be rejoicing. My mother (Eula Mae Williams) always thought the world of her. My deepest condolences to the family.###imported-begin##Frances Susan Williams Story###imported-end##

“ Mildred, I remember going to your house when we were in the 4th grade. I always thought of lot of your Mother. You have my deepest sympathy. But you can have some wonderful memories of her. May God be with you and your family.

“ I have so many fond memories of Mrs. Slaughter, when she and Mr. Slaughter were involved in the church and especially going there with the young people from the Methodist church. This was of course in the 50's when we were all so active in our church. May God be with all of you and your families during this sad time. Heaven will be brighter with her there.##imported-begin##Tommie (Jackson) & Brock Cantrell##imported-end##

“ My heart was saddened to hear of the passing of Mrs. Slaughter. As a child growing up in First Methodist I can still see in my mind Mr. and Mrs. Slaughter there working at every event. They were always there giving 100%. The world needs more people like them. Know that I am thinking and praying for you all. Haleyville's loss is heaven's gain! God Bless you all!##imported-begin##Walt James##imported-end##
