“ I was saddened to learn that Nick had passed away. He and I grew up and went to school together... he was in my class. He was a crazy guy with a smile on his face and always up for a laugh. I will miss him and I am thinking of his kids and praying for them as well as the rest of his family. I will remember him with that smile on his face, the cat that swallowed the canary smile... rest up buddy. Much love to you my friend

“ Nick was a awesome guy, every time he came to my house he would always say what flavor we got today, talking about my candles. I loved talking to him. I'm so proud God let me have the time to watch him grow up into a awesome guy. And he loved his kids with his whole heart. He will be missed so much. My heart goes out to the family and his kids. I'm praying for the family.
