“*Pap was as close of a thing to a father to me I hope he new
howvmuch I loved him and he has always treated me like one of his
daughter. It meant so much to me when he came to the hospital
wheny first daughter was born I wish I could have gotten him to go
in NICU to hold her but he said she was too little he would wait til
she got a little bigger. I Love You Pap and you will be greatly
missed.*
