“ To my cousins: Your mom was a special lady and I loved her so much, she was my second mom and would spoil me everytime I came to see her. She made blackberry cobbler for me and would take out the seeds. Mom (her sister) would look forward to seeing and visiting with her, she was mom's friend, sister and mom loved her so much. I will miss her but I know she is in heaven with Agnes, Fern, Hazel, Mommy and poppy and my mom. I love all of you and wish I could be there for you.##imported-begin##ann lindner##imported-end##

“ Mrs Ola Mae attended classes in town sponsored by NWSCC about 25 years ago. I was supposed to be the teacher but she was much wiser than me. Ella Poore attended classes with her. Two fine women that brought me a lot of joy at that time in my life and taught me more than I could have ever taught them. Ola Mae was full of life and funny. I have thought of her often in the last 25 years and often told other students about her and the example she set that one is never too old to learn. May God be with you at this time.##imported-begin##Beth McAlpine##imported-end##
