“ *Brenda, Jack Allen & Family,*  
We were so saddened to hear that Ophelia had died. She was one of the Sweetest Ladies I've ever known. She always had a smile on her face and such a sweet spirit about her. I never saw her mad or grumpy. I enjoyed our talks on the phone and when she could she would call or write after she got my Christmas card. We kept saying that we were coming for a visit but you know how time gets by and you don't do all the things you want to and mean to do. We would have come to the funeral but were out of town on a trip with another couple. I was so glad that Kathy called to let us know. She asked me about our son Blake. He is 28 and got married last June. He works for the Alabama Gulf Coast Railroad as a conductor and engineer. I told Kathy that Hott and Jack would have been proud wouldn't they? Just know that our thoughts and prayers are with you during this most difficult time. As a guy told me when mother died, "Nobody loves you like your mother." You are not ready to give them up no matter how old they are. Mother was 82 when she died. Warren's mom is still with us and she is 92. We love you and send our prayers and deepest sympathy.

“ *Brenda and Jack Allen, I am so sorry about your mom's passing. She was a good friend to my mom. Long ago our families were close but drifted apart over the years. I still have fond memories of our family get togethers. Ophelia and Jack plus you kids will always have a special place in my heart. I look forward to seeing them all again in heaven. You will be in our prayers!*

“ *Mrs. Ophelia Lann was a true southern lady. I have know her for several years through our association in the Phillips High Alumni Association. She was always there if possible and her sister, Mildred, graduated with my sister in 1949. She was one of the sweetest people I have ever known. It was such a joy to visit with her and remember other times and friends. I am sorry I will not be able to attend her visitation because of a Doctor's appt. You were truly bless with a mother like her. My thoughts and prayers will be with you. Sue Foster*
