“ *Kathy, Linda and family - I am so sorry to hear of the death of your father. I only met him once when I spent the night with Kathy when was a child, but I know he was a very kind man who loved his family. Please know that I am thinking of you and your family. My own parents are aging and have significant health issues...it is so hard to imagine what I know is coming. You and I have been blessed to have our parents this long but losing them even now, must be very hard and is unimaginable. Thankfully we know we will see them again soon and that their spirit is still with us.*
