“ We met the one we know as Papaw through our Daughter in law Emily. He was always an upbeat person, and always had a smile for everyone. To watch his (and Mamaw's) face light up just watching their granddaughter Emily march for the JSU Southerners, and to see her grow into a young lady, which was very comforting to watch as a bystander, to see the love that was going on at that moment. He was truly a firecracker of life and a man that brought a light into any room he was in. We all will miss his smile and laugh as we remember the amazing man that he was. God bless all family and friends that knew him. Love, The Annesty Family.

“ Joan, Robin, & family, Our hearts are so sadden to hear about Ozlee. I really got to know him when I took Mother to the Sr. Citizen Center. He was so nice to everyone--both Mother& I learned to love him & you and looked so forward to seeing you all. He loved making his homemade bread and sharing it with everyone. He always asked if I needed help getting Mother in the car. I'm so glad that I had the opportunity to know him and call him friend. Joan, you and Robin will be in our thoughts and prayers. I pray that God keep His loving arms around each of you and give you strength, comfort and peace during this very difficult time. As time passes, I pray that the many wonderful memories you have will once again bring a smile to you face.

“ Joan and Robin,

I was shocked and saddened to hear this news from home. Ozlee was always so nice to me when I would inhabit your home as a teenager with Robin. :) I know he will be truly missed, but pray that all the happy memories will far outweigh the sadness and you will think of him often and be able to smile. God Bless you always!
