“ *My thoughts and prayers are with the entire Bragwell family during this time of loss.*

I always enjoyed the many times of talking with Paul as he was cutting my hair. We always managed to get on the subject of the radio control planes and the many times we got together and had fun flying them. We kept saying we needed to get back out and do it again but never found the time.

Heaven got a good man and he will be missed here.

“ *I'm sure Paul was a fine Marine for he was a fine frind of mine and cut my hair for about 40 years. I thank God for the memory of such a good friend and thank the family in his place for the service he rendered our country. Paul's talents were many in the woodworking and gunsmithing line. I will miss him very much.*

May the God of all comfort wrap His arms of love around each family survivor and help to lessen the grief caused by such a great loss.
