“ Richard,
Sorry to learn of Jane's passing. You always talked about her lots but I never really had the privilege of knowing her. Know she must have been a very special sister to you and Danny Joe and Ann. We all have had lots of losses this past year; will be thinking of you all in the days ahead.

Love,

To Ann & the brothers I don't recall, I am so sorry. Hadn't known she was ill. Last I heard from her was when she was Panama Jane! Loved reading her stories, and admire her boldness at being able to go across the world---alone, when I 'can't' even spend a night by myself....Loved her all thru school, and often thought about her thru the years.
