“ We were all shocked and devastated to hear this sad news about our sweet friend Paula. I went to church (GFBC) with Paula in our younger years and we went to school together. She met us one time for one of our luncheons and she looked as pretty and beautiful as she always looked. She was a precious lady inside and out and I know that the minute she took her last breath here on this earth that she took her next breath in the arms of Jesus. Our prayers are that God wraps his loving arms around each of you and helps you through the following weeks and months ahead. We will all see Paula again one day!

“ Paula was one of the sweetest ladies we have ever met. Her humor was completely contagious. You couldn't be in her presence without having a huge smile. Her kindness and love for her family and friends is priceless. She will be greatly missed. Bobby, we are praying for you and all the family.

“*Paula was such a kind and generous person. Bobby was on the pastoral search committee that brought us to Russellville, and their home was the first place we stayed in Alabama when we came in to meet for the first time. Paula was so welcoming- it felt like coming home to your parents house- even though we had just met. We were treated like family every time we were around them- they even called Patrick their “3rd son” as both their sons were in ministry too. Bobby and Paula just sorta adopted us, and we were ok with it! We ended up buying a home 2 doors down from them and got to spend “extra time” with them as neighbors during our 5 years there.*

Paula was always full of joy even when circumstances didn’t go her way- you could always see the joy of the Lord reflected in her life.

She was a loving daughter, wife, mother and grandmother and she would always be quick to tell you a story about one of her grands. She was always sacrificial in her service- she cared for her mother at home as long as she was able and was completely devoted to that task. I remember many times going to visit Bobby and Paula and stopping in to see Mrs. Blevins in her room on our way in!

Paula was a great entertainer and I have many great memories of parties and gatherings in their home over our time in Alabama!

She was a great Sunday School teacher for many years and Patrick and I had the privilege of being a part of the young married class with her and Bobby teaching. She was wise beyond her years and could always tell when you needed a “mom hug” and was right there with boxes of tissues in her living room even after my own mom passed away or on one of those days you just needed a good cry- she was always there.

She was a night owl and we had many late night text conversations or calls after Bobby had gone on to sleep! (I even came over a couple times late and we sat on the back porch outside talking so we wouldn’t wake him!)

Paula was one of those people, where you just wanted to be around her! She loved her church and her Lord and anyone who ever came around her knew it!

One of the last times we saw Paula in person was during a visit during the Covid quarantine time- so we came in and got to visit in our cars while social distancing, and even though it was a short visit and we couldn't hug, you could feel the love!

She was one of the greatest people I ever had the privilege of calling friend, and I am so thankful for the time we had together, but more for the great impact she had on my life in the way she loved others. She will be greatly missed by all who knew her.

We are praying for Bobby, Shane, Seth and their families during this time. While this loss came as a great shock to us, I'm grateful to know she is in heaven and know that one day, I'll see my friend again!
