“ *Momma Peggy was always the calm in all the storms. I remember coming back from Tusc from seeing newborn Laura. Mr ML got pulled over by the state trooper. He got out grumbling me and Angie in the back seat and Momma Peggy up front saying y'all better get your giggling out now because when your daddy gets back in the car it needs to be silent. She said nothing else we all giggled and then hushed when he got back. I love you BIG momma Peggy. Love your redheaded step child.*
