Years ago I directed the music at Phil Campbell First Baptist Church. There I met and grew to love and honor Billy and Peggy. Later I joined the Gideons International and both cleared the way for Brad Spegal to speak at their church. After his powerful message, I saw a lot of crying faces. The offering to buy Bibles for distribution around the world exceeded \$1250, which was the largest Free will offering of any other church in Franklin East Camp Area that year. It was their reminder, in advance, to their church that a great Gideon speaker was coming to speak on that Sunday.
