This lasting video was done with such care to capture the life of my brother Phillip. He was the proverbial good guy. We shared a bond of understanding and love. His passing was unexpected and I wish I still had my brother to stand by me, but I know he is watching over me from heaven, so, for a short while ,I will have to walk without him, until I'm called home where we will rejoice. Phillip, I am going to miss you terribly, you've been my rock throughout my entire life, thank you for your unconditional love, I will do my best to be happy and loving in your memory and for your sake. Your younger brother Hoyt Douglas Battles (You were loved by so many people, everywhere you went you had a friend in deed) I will try my best to live up to that standard. Rest in peace my friend, my brother, my strength.
