“ As a friend of Chris Moore, I heard lots of good things about you. Never meet you or your wife Charlotte, but I know I would have liked you so much. May God, bless and be with you and to Charlotte, I know you will miss him so dearly. However; God will walk with you, and help with your pain. Thinking of you.

“ Charlotte, I cannot imagine what you are going through. I know you loved that man more than anything. You could tell it when you both looked at each other. I feel so blessed to have worked with Phillip for 6 years. He was such a hard dedicated worker. He took pride in his job and taking care of others. He will be truly missed.
