“ Quint was my very dear friend and mentor. I learned so much from him, and I owe a lot of who I am today to him. He help me realize the abilities that I posses . He introduced me to GOD, and that through him I could accomplish anything. I remember on our trips to the dry cleaning plants where we would repair their equipment, he would tell me bible stories, and how they would amaze me. I love you Quint, and I will miss you !###imported-begin##Paul R. Jones II###imported-end##
