“ Aunt Rammie was my Great Aunt ( my grandmother, Druzy Tiberg's sister ). I was so fortunate to be able to spend time with her all during my childhood and adult life, when she and the other sisters would come to California to visit my Gramdma. I adored her and was very blessed to be able to spend time with her at her "cabin" several years back . I have such fond memories of my Aunt "Doode" , and I will miss her very much. My deepest condolences to her entire family .
