“ *Miriam - I was shocked and saddened to hear about Randy passing away this week. You and your family are in certainly in our prayers as you confront this difficult time. I have many fond memories of time spent with Randy . . . from Sunday afternoon football games with the cousins at the Courington homestead to days (and nights) at Walker College and the University. I can hardly ever remember Randy when he didn't have a smile on his face. He was a friend to many, many people. We had dinner together a few years back when he was a County Commissioner and came to Washington for a conference. And of course we would always talk football and our beloved Crimson Tide when we saw each other or spoke on the phone. Words are difficult at a time such as this, but there is comfort in knowing that Randy lived a full life . . . a life worthy of celebration. May the Peace of the Lord be always with you. Sincerely, Steve Bevis*
