“ Chip was my first cousin,there are so many stores I could tell, the one I will share is the last time Chip came to my house. Chip brought me a picture of my mom and him, In the background there seemed to be a angel looking over there shoulders. It's a very special picture because I Lost my mom to cancer. That was Chips gift always making you feel better about yourself after talking with him. Fly high Cuz

“ Chip, Chipper is what I called him besides friend. Chip was my best man at our wedding almost 11 yrs ago. Friends like Chip are rare, he could always put a smile on your face even when you didn't feel like smiling. A very talented guitarist with a voice that filled the room. Rest easy my friend we will meet again.
