“ *My Friend, My Mentor, My Dad.
Some of my favorite moments with Dad.
Playing golf on Christmas day at McFarland Park Golf Course.
We were the only players on the course that and it was sunny and a beautiful day. Another interesting golf outing was playing in the smoky mountains where you need a gas-powered golf cart to traverse the rugged course.
Learning wood working. Dad had a wood working shop at the lumber yard in Lynn where we manufactured furniture that was custom made. Later on when I was in high school we refurbished homes and actually re-located a two-story home across town which was really a feat of engineering.
He bought me my first car, and taught me to drive a stick shift, which was a Volkswagen bug modified to be an off road vehicle.
Dad also loved singing in the church choir and was a soloist.
These and many other experiences I'll treasure the rest of my life.
I love you Dad.*
