“ *To the Romine Family, your mother was a lady of physical beauty, but more than that a beautiful lady inside. She always showed love and compassion to her students. She was not just our teacher, but our friend. We all loved and respected her. Her and Monk was a couple who was admired by many. They are together again with no more suffering & pain. They both will be missed. May God put HIS loving arms around the family and give you strength, courage, & peace during this sad time.*
