“ Rob was more than just a neighbor, he was a friend. A really good friend who looked out for me if Vic was away or my kids if we was away. He always joked with me and Gracie and I remember him and Vic taking in conversations yelling across the yard 😭 just to ask about a part or tool he may could borrow. He would also drive by on the road to make sure I was doing ok walking or jogging., really Just to make sure no one was gonna grab me and take off he said 😭 He would just stop and turn his truck off just so he could talk a little while. I'm sure gonna miss seeing him and that truck of his. Fly high Rob. Save us all a seat up there.

“*I've known Robbie as long as I have been alive, he was my dads lifetime friend, I grew up with Robbie being there for me for anything, I Loved him so much!! He used to tell me stories of my mom & Dad before I was born, I loved listening to those stories!! One of my fondest memories of he and I was when I was about 7 years old, I packed my underlothes (that's all nothing else) to go live with him, to find out a few months later that he was Santa Claus,(he was bringing stuff from his house to mine), I cried cause I couldn't believe Robbie was Santa!! He will be missed!! Fly high Robbie, tell mom & Dad, I love and miss them!! And I'll miss you!!!💔😭until we meet again😘*
