*I love you Robert, You were the best friend I ever had, not just a friend but more than even a brother. I am going to miss our praying together and your prayers for me. Many years we spent going from revival to revival together, There is no telling the number of miracles and healings we have experienced over the years. We have always laughed about the night we went to a revival way out in the country and as we started home about 1:00 o'clock in the morning, something scared us and that old 54 chevy truck had a head light out and we couldn't see so we prayed for that light and it came on and was still working 2 years later when I sold the truck (that's our God). Oh but we seen many many more Miracles and healings together. God has extremely blessed us and our friendship. I especially want to thank you for holding me up in prayer. I made God a promise one day and a few weeks later I put someone else ahead of God, Suddenly I lost that person and everything I had and ended up away from God and in the very pits of sin. I never believed I could ever get back, but thanks to your never ending prayer I am stronger and closer to God than I have ever been. I know the most important thing in your life was your moma and family, I promise I will hold them up in prayer every day.*

*I love you, I miss you, and I WILL SEE YOU SOON !!!!!*
