“ I only knew him as a patient but he was always so kind and normally cheerful considering what ask he was going through. The last time I saw him was at Huddle House several months ago and he looked really good. So sorry to hear of his passing. He was a king and caring man. The family will be in my prayers

“ Robert drove mother and I to her eye doctor, on the way home him and mother had to stop at Sonic on Avalon. He orders jalapeño pepper poppers. Robert got popping them peppers in his mouth and telling mother how he loved them ,the whole time he was patting his head because he was sweating so, mother said son you having a heat stroke.Robert said Aunt Ruth it's just these peppers, mother said if they did me that away I believe I would stop eating them before you do have one. That is one of my favorite memories of Mother and Robert.
