Fancy, I've known you for almost 30 years. There was rarely a time when I would see you without that beautiful smile on your face. You were always the life of a party. You loved to laugh and make people laugh. You were often misunderstood and for that I'm so sorry. I will always picture you smiling, cracking a joke and speaking your mind. Tell Mrs. Faye and Mrs. Becca I said HI and I'll see you on the other side. RIP, my friend. You're forever loved and missed.
