Chip, I have not been on his Obituary recently. I just saw your comment. Even though it has been 2 years, it still often feels like yesterday.

John and I was so saddened about Butch. We meant you both on a cruise many years ago and have stayed in contact. We had no idea he was sick, always wanted to travel with you again! I'm so sorry Rhonda that you are parted for a time but know he is home. God bless you and your family during this time and know we will meet again! 🙏
